

**Residential Systems, Inc. of Lakewood, CO Receives
Best Of Houzz 2015 Award**

***Over 25 Million Monthly Unique Users Rated Top-Rated Home Building,
Remodeling and Design Professionals in the United States and Around the World***

DENVER, January 22, 2015 – Residential Systems, Inc. of Lakewood, Colorado has been awarded “Best Of Houzz” for Design by [Houzz](#), the leading platform for home remodeling and design. RSI, a premier provider of home automation and home audio/video solutions in the Denver area, was chosen by the more than 25 million monthly unique users that comprise the Houzz community from among more than 500,000 active home building, remodeling and design industry professionals.

The Best Of Houzz award is given in two categories: Design and Customer Satisfaction. Design award winners’ work was the most popular among the more than 25 million monthly users on Houzz, known as “Houzzers.” Customer Satisfaction honors are determined by a variety of factors, including the number and quality of client reviews a professional received in 2014. Winners will receive a “Best Of Houzz 2015” badge on their profiles, helping Houzz users around the world who discover and love a professional’s work to learn even more about that business’ popularity and satisfaction rating among their peers in the Houzz community.

“Residential Systems, Inc. is honored to receive this recognition from Houzz for the third consecutive year,” said Travis Leo, CEO of RSI. “Our mission at Residential Systems, Inc. is to listen to our clients and provide integrated technology solutions that make their homes easier to live in.”

“Houzz provides homeowners with a 360 degree view of home building, remodeling and design industry professionals, empowering them to engage the right people and products for their project,” said Liza Hausman, vice president of industry marketing for Houzz. “We’re delighted to recognize Residential Systems, Inc. among our “Best Of” professionals as judged by our community of homeowners and design enthusiasts who are actively remodeling and decorating their homes.”
